

K40

SSR Fingerprint Time & Attendance Terminal

K40, with self-service reports (SSR) stored in the terminal, is a 2.8-inch TFT screen Time & Attendance terminal with a simple Access Control function. It has an interface for connection with a third party electric lock and exit button. TCP/IP communication is a standard function that ensures smooth data transmission between the terminal and PC within several seconds. And the USB Host makes data management extremely easy. Most importantly, the built-in battery can eliminate the problem of power failure. With an elegant appearance and reliable quality, you can get the best from it.

Features:

- Simple access control or external bell
- TCP/IP, USB Host
- Built-in Battery
- Built-in SSR Excel Software (optional)
- Multi Languages

Specifications:
